

**Hawaii Teacher Standards Board
PRAXIS TEST INFORMATION SHEET
2010-2011**

NOTE:

- 1) Test takers should confirm test dates when they register with ETS and should indicate Code 8620 when they register for a test so their score report will be sent directly to HTSB.
- 2) Not all tests are available on all dates. Applicants are urged to contact ETS to determine when their required tests are offered during the year to ensure they are able to complete their testing requirements.
- 3) Current NBPTS-certified and MNTC licensed teachers holding a current, valid license from another state are exempt from all Praxis examinations.
- 4) Those with valid out-of-state licenses should refer to the Standard License Application instructions regarding required tests to see if you are able to use licensure tests from your state.
- 5) Teacher candidates should periodically check this chart for any updates to testing requirements.

All teachers applying for the Hawaii Provisional or Standard License take the PPST Reading, Writing and Mathematics Tests

Licensure Area	PRAXIS I PPST Required	Test Code	Qualifying Score
ALL LICENSURE AREAS	PPST Reading PPST Writing PPST Mathematics	0710 OR 5710 0720 OR 5720 0730 OR 5730	172* 171* 173*

* NOTE: Hawaii utilizes a composite score. Please refer to <http://htsb.org/html/details/licensing/praxiscompositescore.html> for an explanation of this.

You should select the appropriate PLT and Subject Assessment(s) based on the Content Area and Grade Level of the **State Approved Teacher Education Program you completed**. This may not be the content area and grade level you are currently teaching if you are assigned to teach outside of your preparation field.
